Well, I
don't really
give a shit
as long as
he's alive
though.

Ken-kun
was fairly
rough with
this piggy
wasn't
he..?

He would've
gotten away if
he had opened
his mouth, so I
had to silence
him a
little.

My
apologies,
One-san

It's only
because
you're
ferocious,
Ken-kun!

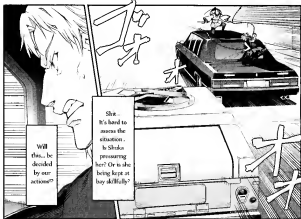

As long
as human
beings
"live"...

they
won't realize
the fact that
they continue to
haphazardly
kill their
surroundings..!

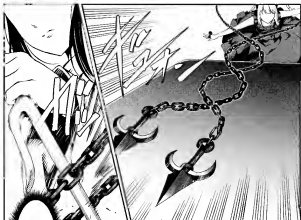

That
weapon...
is in the
way.

As I
thought,
that's some-
thing only
the π would
know

Her
power's
being
held back
nicely.

DON'T BE
CARELESS!
I STILL
HAVEN'T
KILLED
HER!!

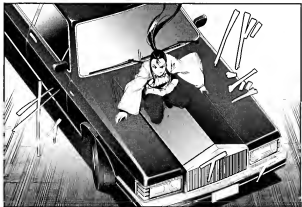

But
nothings
showing
up in the
mirror
though...!?

I can't
see that
Xuelan bitch,
so did we
successfully
force her off
the car!?

THAT
WOMAN... DID
SOMETHING
TO THE
TIRES...!

IT AIN'T
RESPONDING
TO THE
STEERING...!

That was
rather fun
wasn't it
little girl?

Same,
set,
and
match!

ACK-

YOU
WON'T
GET
AWAY...!

Was that a
pellet just
now..?

Since her
movement's
so fast, I
can't react
even with
Laplace..!

It's crucial
to know the
right moment
to finish it, you
know? Silly
little girl

Not
yet..!

We're not
done yet..!

Even though
it's already
checkmate...

My my...

You've
given me
quite a lot
of fun,
but this
need-killing
finale is

If she can't
restrain me
with them,
she can't
cancel her
landing lag.

Her chains
won't
reach me
at that
distance.

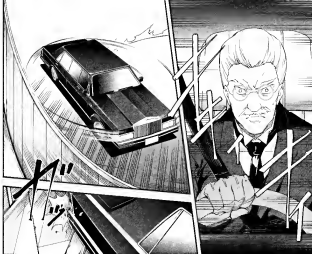

SOUNDLY

What...!?

WHA...IT
DAMN
IT! YOU
OBSTINATE
MIST!

I WAS
SURE YOU
WERE BEING
BROUNG
ON THE
ASPHALT!!

Kaname!

Looks like
you formed a
clan which was
better than
I expected,
hm?

In this
case, our
match-

Your greatest
fighting power
dangling from up
there... That means
this entire area is
under my control,
yes!

Hehehe... It
seems you're
in a tough
situation,
Kaname!

Xuelan's
right. Among
us, only
Shuka's able
to face her!

Fuck...?

What
thief?
Shining.
why
are you
deciding
that?!

It
would be
dangerous
to operate
it if we do
not have it
inspected
once.

Firstly,
I'm worried
about the
damage
done to
our car's
engine.

Milady

this
match...
is our
loss.

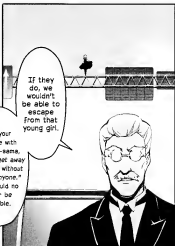

Can't
they just
replace it
then?

And,
Karami-sama's
vehicle also
cannot run, if
their tire is not
replaced.

It's your promise with Kename-sama. "We will get away like this, without killing anyone." That would no longer be possible.

If they do, we wouldn't be able to escape from that young girl.

Hmph.

Shining, going that far...

Time is no match for you, but making friends is vital, correct?

You need the right moment to reel in a big fish.

It's overly
premature
to call him an
unrecognized
genius, but I
suppose it's
fine to say
that he's a
prodigy.

To win
over an
adult, I
suppose it's
tradition
to show
favour to
them,
hm..?

Hmph...
It's my
loss then.
My loss.

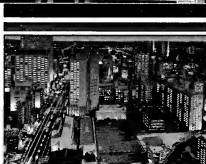

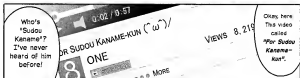

Yho Tube

It
doesn't
look like
there's
anything
funny
in it...

Ahh...
How
boring...!

If it were
the real deal,
then the video
would've been
deleted for
being too
explicit.

This really
must be
fake then,
huh..?

Why are you here?

Huh? Could you be Yumi-chan? Kiyoda's girl.

Hina-kun... and Kiyoda-kun's friend.

Um... You're Shinobu-kun, right?

N-No, but...

A kitchen knife for "self-defense"?

Is it wrong?

That's why I came back with one for self-defense.

—I see— So you came to ask Kariame about Kiyoda's disappearance.

They broke in?

Yes.

when I did those guys from before broke into Sada-kun's apartment.

I'm sure it
was "*Darwin*
Game" or
somethin—

EH!?

IT WAS
"DARWIN'S
GAME", WASN'T
IT?

"DARWIN'S
GAME"!

Yeah...
I think
so—

So the
Eight
then...

The ones who
came before
us were the
ones who
broke in—

U-Um... I
apologize for
that earlier.

You two
Hurry and go
home. Those
guys will
likely come
back.

"Eight"?

DO YOU KNOW
ANYTHING
ABOUT HIM?
HE'S BEEN
MISSING
FOREVER—

OH HEAR!
DON'T
FORGET
KYOUJI!

I understand
getting pissed
about your
apartment
being broken
into but...

Kaname! Just
what did you
do? This
is weird,
you know?

Wouldn't it be great if I went too, once that stupid Kyouda comes back?!

I'm jealous!

Hey, you and Kyouda said you two would go touring for summer vacation right?!

OH YEAH BIKES!

I SAVED UP SAVING A LICENSE FOR ONE AS WELL! EVEN THOUGH I ONLY HAVE A SCOOTER!

KYOU-DA'S..!

NO, SHINO-DUKA..!

I think I can get a bike for cheap, even if it's second-hand-

From my
impression, I
think he's the
type of person
we'd need to
talk to, to
find out.

But, at the
same time,
I also
think he's
a strong-
willed boy...

The issue will
 boil down... to
whether or not
he'll cooperate
with us as
per our
request.

Nevertheless,
assuming they
successfully
make
contact with
Sudou-Kun...

Neverthe-
less, this
situation
where we
can't win
him over
easily is...

Well,
what
should
we do?

A brilliant,
strong-
willed boy,
huh?

He would
be reliable
as an ally,
but...

TL Note: Ape means English, Futi means Kinky, Pig means Simulacra, and Hene means Sea-Harbour. The rest of the message is unclear.

I've figured out from your message where Shinoduka-san is being held as hostage, but...

What I want to know the most is their complete headcount and roster.

And if possible, the extent of any arsenal they're preparing.

All info regarding Ace is detailed in my text though-

Well, what would you like to ask?

For the headcount, I've confirmed 12 people so far. If I were to stretch it, then expect around 15 people?

I'm not knowledgeable about guns, so I don't know about any arsenals— But I do know much about the rest—

What about the Sigil users?

We were not the ones who did that.

So the rumors were true that they kept on getting beat up by you guys at the battle royale then—

I haven't seen him— Isn't it true that he was killed during the royale?

I don't think it was a dispute with the premium item "Pussy Coffee" though—

What about the Flame Demon, Sir?

And, obviously, the clan leader. One was there.

The one who kidnapped the hostage was the karate artist, *Katashi*.

Hiragi-san...

Did you kill him for us..?

Honestly, you guys have the confidence to win, right? Although I think some sacrifices might need to be made...

The waning "Eighth" is no match for the event winning clan "Sunset Ravens", you know!

We're planning to play P-Same with a handicap.

Our leader is the kind of guy who hates having "some sacrifices".

I understand!
I understand~

Well then, have a good day~

But of course, we won't be able to reply to you soon, okay?

Well... If it's just telling him, then I'll tell him.

Your leader's so kind~ I'm increasingly being pleased with him~

And... there's also a rumour that the event winner is allowed to receive a *super special privilege* from management~

After all, I
doubt it's as
optimistic as
Kakori-san
thinks, but...

Whew

"The rising
light" is no
match for
the most
winning clan
"Sunset
Ravens"...
huh?

However,
the
problem
is...

As the Ravens
are now no
probably are
enough to
defeat them,
even if we
don't add
Kakori to
our roster...

Not only is the
troublesome
"Plume Demon"
gone, the secrets
behind One's
Sigil... have
practically been
exposed as well

FUCK
...!!

What does that mean?

Who knows?

However, if you wish to know how to utilize death.

I'll teach you how, in detail starting tomorrow

Avoiding death gives you but one.

Utilizing death gives you the other nine.

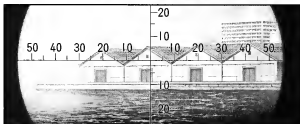

Pfft...
Let me know whenever you change your mind, 'big'?

What I want to know is how to survive

Not some expert's killing techniques.

That's the
kinda guy
he is.

One's goal is
to chop up the
hostage in
front of your
very eyes.

Despite
knowing that
we'd be willing
to negotiate if
they demanded
Points.

Get. I In the
end, aside from
that video,
there hasn't
been any
contact
with
Eight..!

No, I don't
mean it
that way.

I'm
fine.

Yeah...
Sorry... for
yelling.

Kaname-
san, are
you
alright?

You're burning
out both
physically and
mentally.

Kaname-san,
you've been
fighting on
and on these
past few
days.

**MOTHER-
FUCKER**
...!!

**GETTING
AN
INNOCENT
INVOLVED**
...!!

RECEIVED

There is
nothing we
can do
until then.

Well for now,
let's wait until
Shuka-san
returns
from her recon-
naissance.

But, our
circum-
stances have
nothing to do
with Eight's
men, so...

I know...

What?
It's you,
Ran?

IS IT
PATCHING
THROUGH
CLEARLY?

Shuka-san,
how is the
frequency?

We totally can't
count on her
we're fine as
it is... since
Dagou-san lent
us *Zetsu!*

Unfortunately
it seems we
weren't able
to make
contact with
Kureta,
after all

This is bad
timing. We
might also
start a
clan war with
Uroboros!

This sucks,
Kazuo. With
me as your
only backup

Of course,
it's probably
a mere
conscience,
but...

Just as we
decided to
ally. Right
has as well-

Are you
saying that
Uroboros and
Right are
allied?

The first stage
of our operation
should be to
rescue the
hostage-

We'll confirm
once more at
the end of
this, but...

Worse than
"bad timing"...
I believe this
move was
done in
urson.

and that currently, Shinoduka-kun is being held hostage inside a warehouse located at the harbour.

According to eyewitness accounts and security camera footage, we've identified that the offender was a member of the criminal organization named the "Eight",

it's regarding the high school student abducted from school grounds yesterday, Shinoduka Youta.

Since you two are friends, surely, you would be thinking of rescuing him personally.

Well, we're being "held" up too! If this is going to be a long discussion, I'm going to have to cut you off.
